**The Fountainhead (An Unabridged Production)[27-CD Set]** Ayn (Author); Rand

Arguably the century's most challenging novel of ideas, *The Fountainhead* is the story of a gifted young architect, his violent battle with conventional standards, and his explosive love affair with the beautiful woman who struggles to defeat him. In his fight for success, he first discovers then rejects the seductive power of fame and money, finding that, in the end, creative genius must triumph. *The Fountainhead* is at once dramatic, poetic, and demanding. A statement of principles for its author, the novel champions the cause of individualism and remains one of the towering books on the contemporary intellectual scene.
