The Kreutzer Sonata, and Other Stories Leo Nikoleyevich Tolstoy

The Kreutzer Sonata is a novella by Leo Tolstoy, named after Beethoven's Kreutzer Sonata. The novella was published in 1889, and was promptly censored by the Russian authorities. The work is an argument for the ideal of sexual abstinence and an in-depth first-person description of jealous rage. The main character, Pozdnyshev, relates the events leading up to his killing his wife; in his analysis, the root cause for the deed were the "animal excesses" and "swinish connection" governing the relation between the sexes.
