"*The Mountain Man's Field Guide to Grammar*" is the brainchild of a man who loved to write, but hated learning the rules."

Samuel G. Freedman, the New York Times

A Fearless Adventure in Grammar, Style, and Usage

Conquer new frontiers with this fresh & outrageous take on grammar! **The Mountain Man's Field Guide to Grammar** - with its fresh, witty, and humorous style - turns the stuffy old grammar book format on its head, delightfully reminding you that grammar can actually be fun.

Whether you are a writer, professional, student, or just an adventurous soul, *The Mountain Man's Field Guide to Grammar* is the perfect trail guide to lead you safely through the tangles and gorges of the grammar wilderness.

Seasoned throughout with colorful stories, clever anecdotes, and offbeat words of wisdom, *The Mountain Man's Field Guide to Grammar* relives the rollicking, riotous days of the old West and the long-lost lore of the mountain man.

Mount up, and keep a sharp eye. Keep your steel keen and your powder dry. Where we go, few follow.

"In writing this book, I have attempted to make each line of text, each rule of grammar, and each example fresh and new and original. But a noun is a noun and a verbal is a verbal, and festooning them in gaudy finery can neither add nor detract from their essence. American grammar and construction?the essential stuff?is staid and stately, elegant, sensuous, raw, and beautiful."
