## **Whistleblowing: A Practical Guide** Brian Martin

You discover some wrongdoing, such as corruption, injustice or danger to the public. What should you do? If you do nothing, the problem will continue. If you speak out, you become a target for attack - and the problem may still continue. *Whistleblowing: A Practical Guide* tells how to assess your options, prepare for action, use low-profile operations, negotiate official channels, leak, build support and survive the experience. It is filled with sample cases that show what can happen when you make incorrect assumptions or fall into common traps. The advice in this guidebook is based on the author's contact with hundreds of whistleblowers and dissidents, plus consultation with others experienced in the area. Although there are no guarantees of success, *Whistleblowing: A Practical Guide* can improve your odds of making a difference. Even if you never expect to challenge the system yourself, it will give you valuable insight into the dynamics of individual struggles and what is happening to others.
