Two powerful books concerning apostolic ministry in one edition!

**The Apostle Question:** The focus of this book is to bring clarity and understanding to the role of the apostle in the Church. Sound biblical answers to questions concerning the function of the apostle are answered. This information will help individuals to recognize the operations of this anointing in their lives and in the lives of others. It is our hope that believers will develop a greater respect and acceptance of the apostolic office and gift.

**The Apostolic Paradigm Shift:** Apostles and apostolic ministry are important to the furtherance of the Kingdom of God and the Church. But, some have become vulnerable to deception and error. Many apostles have abused their ministries and authority. Therefore, the Lord is going to send an apostolic paradigm shift in the midst of the Church. It is designed to bring purity again to the apostolic office. Not only in the execution of this ministry, but also in the perspective for which it is received. In this book, we will explain the apostolic paradigm shift God is sending in the Church.
