My Hero Debbie Macomber

Would-be romance writer Bailey York was a woman who'd already failed twice at love. As far as she was concerned, men were wonderful to read—and to write—about, but that was as close as she wanted to get. Which was probably why she had such difficulty creating a hero.

She needed a real-life model, she finally decided. And she found one.

Parker Davidson was everything a hero should be. Compellingly attractive. Forceful and determined, yet capable of tenderness. A man of substance.

Parker was perfect for Bailey's novel—but he wanted to be the hero in her life, not just in her book!
