South Carolina Myths and Legends: The True Stories behind History's Mysteries (Legends of America) Rachel Haynie

Part of our ever-popular Legends of America series, *South Carolina Myths and Legends* explores unusual phenomena, strange events, and mysteries in South Carolina's history. Each episode included in the book is a story unto itself, and the tone and style of the book is lively and easy to read for a general audience interested in South Carolina history.

Stories include tales told to Ferdinand de Soto in the 1540s about a secret source of gold that the Spaniards never found; the 1927 disappearance of a daring young aviator, Paul Redfern, who pioneered the first air route to South America; and the mysterious appearance of horses from a noble Spanish equestrian bloodline on the beaches of South Carolina.

From reader reviews:

William Martin:

What do you think about book? It is just for students since they are still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has diverse personality and hobby for each and every other. Don't to be compelled someone or something that they don't would like do that. You must know how great as well as important the book South Carolina Myths and Legends: The True Stories behind History's Mysteries (Legends of America). All type of book can you see on many sources. You can look for the internet resources or other social media.

Lorraine Prinz:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider any time those information which is inside former life are hard to be find than now's taking seriously which one works to believe or which one the resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take South Carolina Myths and Legends: The True Stories behind History's Mysteries (Legends of America) as your daily resource information.

Coralee Lowe:

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this South Carolina Myths and Legends: The True Stories behind History's Mysteries (Legends of America).

James Koenig:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this South Carolina Myths and Legends: The True Stories behind History's Mysteries (Legends of America) can make you really feel more interested to read.
