John Dewey

The Middle Works of John Dewey, Volume 9, 1899-1924: Democracy and Education, 1916 (John Dewey the Middle Works, 1899-1924) John Dewey

John Dewey's best-known and still-popular classic, *Democracy and Education*, is presented here as a new edition in Volume 9 of the Middle Works. Sidney Hook, who wrote the introduction to this volume, describes *Democracy and Education*: "It illuminates directly or indirectly all the basic issues that are central today to the concerns of intelligent educators. . . . It throws light on several obscure corners in Dewey's general philosophy in a vigorous, simple prose style often absent in his more technical writings. And it is the only work in any field originally published as a textbook that has not merely acquired the status of a classic, but has become the one book that no student concerned with the philosophy of education today should leave unread." Dewey said in 1930 that *Democracy and Education*, "was for many years the one [book] in which my philosophy . . . was most fully expounded."
