Three Apache Arrows Doyle Renolds

Former Confederate Army Captain Jack Shane suffers from the stress of war and a taste for sour mash bourbon whiskey. On his journey home from the war to his ranch in New Mexico, he encounters Apaches, renegades, and a beautiful redhead. He also discovers an ancient hoard of gold that will make him the richest man in the west. Vass Hart, an old enemy with his own secret to hide, wants the gold for himself and an insane southern colonel who would rekindle the flames of war. It will take everything Captain Jack has in him to defend Three Arrows ranch, the gold, and the woman he loves from these renegades... and to keep his scalp from hanging on an Indian lodge pole.
