#### **Katherine Shadrick:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Aftershock Next Economy & America`s Future [HC,2010] can make

you truly feel more interested to read.
