Empire of Shadows

Miriam Forster

Empire of Shadows Miriam Forster

Perfect for fans of romantic fantasies like *The Girl of Fire and Thorns* and *Graceling*, *Empire of Shadows* takes readers on a spellbinding journey into a world with a divided society, deadly courtiers, heroic traitors, and deeply laid conspiracies.

Cast out by her family three years ago, Mara turned to the only place that would take her—an order where students train to protect others. But Mara is stunned when guarding a noble girl in the Empire's capital turns out to be more dangerous than she could've imagined. More shocking still, Mara finds the boy she thought she'd lost forever outside the gates of her new home.

Mara knew the dizzying capital city would hold dangers. How could she have known that her heart, as well as her life, would be at stake?
