Harbor of Refuge: Being the Recreation of Four Seasons on an Offshore Lighthouse from the Authentic Journal of S. P. Jones, S. N. Stephen Jones

In this salty, maritime classic, Stephen Jones describes a youthful year spent at a lighthouse. The passage of four seasons brings hilarious, touching, somber, and terrifying adventures. The tower and its assorted keepers, each in his way, are assaulted by vessels run amok, by boozy and lascivious fishermen, by birds, fogs, fantasies, and the looming specter of a storm. First published in 1981, it is reissued with a new introduction by the author.
