Her Silent Tears Kara Tollman

This novel is based on a true story. Warning the flashback scenes contain vivid mental, physical and sexual content against a child. The victim allowed me to write this novella only after I agreed to write the scenes as they occurred.

The dialogue leading to the victim's flashbacks are products of my imagination, however the flashback memories are the victim's. The victim, who remains anonymous, has read and approved this novella. Take a walk into the world of an abused child through the victim's eyes. Feel the victim's pain as the graphic flashbacks unfold. Tears will be shed as you read about the violence one little life endures during her struggle for a "normal" life.
