My Alpha didn't have to ask. He just knew I was eager for him. Eager to feel him. Eager to taste him...

After being mated into the Pack by these two gorgeous Norwegian stud Shifters, I didn't realize how much my life would change. I could feel myself changing. Mentally. Physically. Emotionally. No matter the challenges ahead of us, we'd face them together. And the challenges came fast.

I knelt across from my Omega as we looked down at the handsome face between us. Those soft lips were born for one thing...

It had been a night of unmatched lust. My Omega and I had taken this young man, mated him and marked him. He was now our Grace, the emotional bastion of our Pack. Despite our furious primal session, the very next morning his friskiness was apparent, and soon all three of us were a tangle of grunts of howls!

Almost 8,200 words of a **bottom twink** being railed by **two alpha male Shifters**.
