Gemma Darlings did, at one time, have it all. Between her stunning good looks, her beautiful beachfront apartment, and her modeling career, she was a household name. But the public had a ravenous appetite for scandal, and all it took was one bad decision for her to fall hard. After months with no work, she was on the verge of losing everything. When her friend offers her a quick gig delivering to playboy billionaire **Charlie Connor**, she finds herself losing one last thing. Her heart.

Charlie Connor was bored. Rather than joining his ridiculously expensive birthday party, he hid away in his private condo and ordered out. But he never expected former model Gemma Darlings to arrive with the food. Certain that she's his birthday present, he decides to have a little fun to pass the time. But when the night is over, he gets far more than he bargained for.

Now the media has them splashed all over the headlines with one speculative question. What's the story between bad boy billionaire Charlie Connor and ex-model Gemma Darlings? As both of them are forced to face their past, they'll have to decide if either one of them are capable of taking things to the next level.

WARNING: This ebook contains mature themes and language. Intended for 18+ readers only.
