George Armstrong Custer. The name evokes instant recognition among Americans and people around the world. No figure in the history of the American West has more powerfully moved the human imagination. This new, lavishly illustrated book combines over 300 photographs and paintings, many in color, with a revised edition of Robert M. Utley's classic biography, *Cavalier in Buckskin*.

Drawing on twelve years of additional research on Sitting Bull and the Battle of the Little Bighorn, Utley has dramatically changed his original interpretations of Custer's Last Stand in this revised edition, and has brought the reference list completely up to date for the benefit of students, scholars, and western history buffs.

Bringing to life vivid images of the western military frontier, Custer presents George Armstrong Custer, the man and the legend, and illuminates the challenges he faced in warfare with the Indians of the Great Plains.
