Historical Dictionary of Libya (Historical Dictionaries of Africa)

Ronald Bruce St John

Historical Dictionary of Libya (Historical Dictionaries of Africa) Ronald Bruce St John

Of all the states of the Middle East and North Africa, Libya has long been the country about which the least is known. It is only in recent times that scholars and the general public alike have begun to appreciate the complexity of Libya's turbulent history including the recent February 17th Revolution in 2011 when protests broke out throughout Libya, demanding better living conditions and more job opportunities. When the Qaddafi regime responded with force, killing scores of unarmed civilians, the protesters called for regime change. In what came to be known as the February 17th Revolution, the Qaddafi regime was overthrown and Qaddafi was killed in October 2011. In July 2012, the Libyan people elected a General National Congress charged with overseeing the drafting of a new constitution and the election of a national government.

This fifth edition of *Historical Dictionary of Libya* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on important personalities, politics, economy, society, conflicts, and the culture of Libya. This book is an excellent access point for students, researchers, and anyone wanting to know more about Libya.

You can actually bring everywhere like in playground, café, or even in your means home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Historical Dictionary of Libya (Historical Dictionaries of Africa) in e-book can be your alternate.

Patricia Phipps:

The book with title Historical Dictionary of Libya (Historical Dictionaries of Africa) includes a lot of information that you can study it. You can get a lot of advantage after read this book. That book exist new information the information that exist in this book represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This book will bring you with new era of the syndication. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Connie Curtis:

This Historical Dictionary of Libya (Historical Dictionaries of Africa) is great publication for you because the content which can be full of information for you who always deal with world and get to make decision every minute. This specific book reveal it details accurately using great manage word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Historical Dictionary of Libya (Historical Dictionaries of Africa) in your hand like keeping the world in your arm, information in it is not ridiculous one particular. We can say that no publication that offer you

world within ten or fifteen second right but this e-book already do that. So , this really is good reading book.
Heya Mr. and Mrs. busy do you still doubt this?
