The Compassionate Samurai: Being Extraordinary in an Ordinary World Brian Klemmer

Become an extraordinary results-producing champion for humanity and yourself! In life there are two types of people. The first are those who are nice, good-hearted, and compassionate but can't make much happen. The other kind can make everything happen-they're the creators, the go-getters, and the aggressive producers in society-however, they're often self-centered, greedy, and unethical. ----- Wouldn't it be great if you could make things happen in a really big way but not lose your integrity? The Compassionate Samurai will show you the way to produce extraordinary results in a dog-eat-dog world and still maintain the highest levels of ethics. You'll learn: How to always be satisfied and motivated regardless of your circumstances Why all people have freedom but very few have liberty What competing commitments are and how they prevent you from having what you want in life The secret to operating optimally in an untrustworthy environment How to make the shift from scarcity to abundance even if you're knee deep in debt . . . and much, much more!
