The Sullivans Boxed Set Books 1-3

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." *Revolving Bookcase Reviews*

Fall in love with the Sullivans in Bella Andre's New York Times and USA Today bestselling contemporary romance series with the first three books in the #1 hit series.

THE LOOK OF LOVE

Chloe Peterson is having a bad night. A really bad night. The large bruise on her cheek can attest to that. And when her car skids off the side of a wet country road straight into a ditch, she's convinced even the gorgeous guy who rescues her in the middle of the rain storm must be too good to be true. Or is he?

As a successful photographer who frequently travels around the world, Chase Sullivan has his pick of beautiful women, and whenever he's home in San Francisco, one of his seven siblings is usually up for causing a little fun trouble. Chase thinks his life is great just as it is--until the night he finds Chloe and her totaled car on the side of the road in Napa Valley. Not only has he never met anyone so lovely, both inside and out, but he quickly realizes she has much bigger problems than her damaged car. Soon, he is willing to move mountains to love--and protect--her, but will she let him?

FROM THIS MOMENT ON

For thirty-six years, Marcus Sullivan has been the responsible older brother, stepping in to take care of his seven siblings after their father died when they were children. But when the perfectly ordered future he's planned for himself turns out to be nothing but a lie, Marcus needs one reckless night to shake free from it all.

Nicola Harding is known throughout the world by only one name - Nico - for her catchy, sensual pop songs. Only, what no one knows about the twenty-five year old singer is that her sex-kitten image is totally false. After a terrible betrayal by a man who loved fame far more than he ever loved her, she vows not to let anyone else get close enough to find out who she really is...or hurt her again. Especially not the gorgeous stranger she meets at a nightclub, even though the hunger - and the sinful promises - in his dark eyes make her want to spill all her secrets.

CAN'T HELP FALLING IN LOVE

Gabe Sullivan risks his life every day as a firefighter in San Francisco. But after learning a brutal lesson about professional boundaries, he knows better than to risk his heart to his fire victims ever again. Especially the brave mother and daughter he saved from a deadly apartment fire...and can't stop thinking about.

Megan Harris knows she owes the heroic firefighter everything for running into a burning building to save her and her seven-year-old daughter. Everything except her heart. Because after losing her navy pilot husband five years ago, she has vowed to never suffer through loving - and losing - a man with a dangerous

job again.

Do you often have book but you rarely get what it's exactly about. Oh come on, that will not happen if you have this in your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss that? Find this book in addition to read it from now!

Darrel Mason:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in

addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Sullivans Boxed Set Books 1-3 (Contemporary Romance) can make you sense more interested to read.
