Aphrodite's Kiss Julie Kenner

Zoe Smith is far from normal. Crazy as it sounds, on her twenty-fifth birthday she gets the chance to become a superhero. But X-ray vision and the ability to fly are only two things to consider. There's also her newfound heightened sensitivity. She can hardly eat a chocolate bar without convulsing in ecstasy, so how is she going to get the birthday gift she's really set her heart on? George Taylor...No matter what he claims, the handsome PI is looking for an average Jane. He could never love a superhero-to-be—especially one with Zoe's oddball family, could he? With superpowers, Zoe can only see through his clothing. To strip bare the workings of George's heart, she'll have to find something a little more potent.
