From Book 1: What do you do when the man you love leaves, and the only man you've wanted since is the one you can't have?

When Emma's first love walked away after learning she was pregnant, she was forced to pick up the pieces, re-evaluate her priorities, and change the course of her dreams all for the sake of her son, who became the only one who mattered.

It also meant taking a job with Jack McMillan; powerful, sexy, controlled, and CEO of McMillan Holdings. Emma has spent the last several years keeping her dreams and fantasies of Jack to herself, but one night, and one encounter, changed everything.

Once the walls between them are dropped and the truth is laid bare, will Jack and Emma's new relationship be able to survive?

When they are forced to confront their pasts, will they learn to finally put their trust in someone else, or will the lies that are told destroy them both?

Warning: Due to language and sexual content this book is not recommended for readers under the age of 18.
