Henri Matisse: Drawing with Scissors (Smart About Art) Jane O'Connor

Keesia and Henri Matisse have the same birthday—New Year’s Eve! That’s why she picks him for her artist report. She finds out that over his long career Matisse made paintings, sculpture, books, costumes, and her favorite—his cut-outs, or what Matisse called “drawing with scissors.” The report is filled with about 20 of Matisse’s masterpieces as well as artwork that Keesia has created in his “style” (cut-out leaves, drawings through windows, fauvist animals). As she follows Matisse through his life she discovers why he is considered one of the greatest artists of the twentieth century.

Michael Major:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Henri Matisse: Drawing with Scissors (Smart About Art) can make you experience more interested to read.
