Rayna Ciara Kingston is seventeen years old and lives in the slums of Georgia. It is her senior year of high school. With the best grades in her class, she has her sights set firmly on her future. Rayna is planning on going to either Yale or Harvard. The only problem is, how to pay for school? Her scholarships will only cover a portion of her tuition and fee's. Rayna wasn't dealt the best hand of cards. Her mother is a hotel maid with only a high school education and she hasn't seen her dad in 10 years. Rayna's mother is struggling to keep the lights on and food on the table. She has always been abusive to Rayna and blames her for her father leaving them. Dreams of moving out always fill her head but she can't afford to even entertain those thoughts at the moment, but that won't last much longer as she unexpectedly meets "Ace," her thug angel.

Anthony "Ace" Rowland is an eighteen years old kingpin in the making, living in the upper class part of Georgia. Ace was just a toddler when his older brother Mark Rowland was given the task of raising him after their drug addicted parents left them one day for a fix and never returned. Mark is getting out of the game and handing the entire operation over to Ace who he has been grooming for years. Mark always knew the day would come when he would want to get out of the game. What he didn't know is that Ace was about to take the operation to a much higher level.

Will there be jealousy or will Mark be proud of his baby brother?

Will Rayna find what she's been looking for?

In this game of Love or War, who will win and who will lose?
