## **The Westerfield Trilogy** Renee Rose

All three books of Renee Rose's best-selling Regency series are now available in one volume. The Westerfield Trilogy includes:

### ***The Westerfield Affair***

Reserved to the point of being aloof, Lord Westerfield never attended balls or even considered taking a wife... until he met Miss Kitty Stanley and his orderly world turned on end. Determined to have the beautiful and animated sister of his friend from the gambling hall, but doubting his ability to effectively court her, Westerfield strikes a bargain with her brother for her hand.

When the gentlemen present Kitty with the deal, she is furious with them both for neglecting to consult her, but her brother insists he will withdraw his support if she does not comply. Angry, she acts out at a ball, causing a scandal that mushrooms further when Lord Westerfield drags her unchaperoned to his home for a firm spanking.

Upon baring her for chastisement, Westerfield is swept away by desire, and before he can stop himself he has completed the ruin of her reputation. He offers to release her from the betrothal contract, but her brother insists instead on a hasty marriage. As they attempt to recover from the scandal, their marriage is clouded by his shame and her insecurities. Will they have the courage to move past their rough beginning to kindle the passion they both crave?

### ***The Reddington Scandal***

When Phoebe's brother-in-law catches the notorious rake Lord Fenton in his home late at night, half-dressed and obviously attempting escape, he flies into a rage. In a desperate measure to avert bloodshed, Phoebe claims she is Lord Fenton's lover, thereby forcing him to take her as his wife to avoid a scandal.

Knowing full well a philanderer like Teddy Fenton could never remain faithful, Phoebe intends to resist his charm rather than fall in love. Her handsome husband respects her request for a marriage in name only, but his marital dominance manifests itself in other ways. She soon learns that while he will not force her to his bed, Teddy is more than willing to take her over his knee and spank her bare bottom when her behavior warrants it.

Teddy had never intended to take a wife, but upon having wed Phoebe, he is perplexed to discover that he now wants nothing more than to win the affection of his new bride. But just when it seems he might succeed, secrets from her past threaten to destroy their chance at happiness. Can this couple come to love one another as befits a man and wife, or will their marriage end in scandal after all?

### ***The Darlington Incident***

When spymaster John Andrews receives word that plans are afoot to sell England's secrets to her enemies during the Ides of March ball at the Westerfield Estate, he is determined to bring an end to this treasonous game. Posing as a gentleman by the name of Lord Darlington to stake out the event, he is ready for anything as he mingles with the members of the ton... except falling for his prime suspect, the lovely wallflower Miss Eliza Hunt, in whose trunk the secret documents are soon found.

After new evidence leads him to believe Eliza may be innocent, John cannot wait to catch the traitors, clear her of all suspicion, and then ask for her hand. Though he fears he is not the sort of man worth having as a husband, he knows that if he wants Eliza as his own he will need to face the demons of his past and lay claim to the title and the birthright he abandoned long ago.

Eliza knows Lord Darlington is not the gentleman he purports to be, but he is the first man to see beyond the birthmark on her face and treat her like a beautiful woman. She dreams of a life at his side--and in his bed--even once it becomes clear he stands ready to punish disobedience with firm chastisement applied to her bare bottom! But can their love survive the shadowy designs of those who would do England harm?

Publisher's Note: The Westerfield Trilogy includes spankings, sexual scenes, and more. If such material offends you, please don't buy this book.
