New Documents Illustrating Early Christianity, 8: A Review of the Greek Inscriptions and Papyri Published in 1984-85 Stephen Llewelyn

This series seeks to keep New Testament and early church researchers, teachers, and students abreast of emerging documentary evidence by reproducing and reviewing recently published Greek inscriptions and papyri that illumine the context in which the Christian church developed. Produced by the Ancient History Documentary Research Centre at Macquarie University, the New Docs volumes broaden the context of biblical studies and other related fields and provide a better understanding of the historical and social milieus of early Christianity.
