**Trading With The Odds: Using the Power of Probability to Profit in the Futures Market** Cynthia A. Kase

Every trader will appreciate this reliable, realistic, and systematic approach to trading financial and commodity markets. In a step-by-step manner, the author applies a rigorous mathematical discipline to financial speculation and explain how to analyze markets, forecast price movements, develop trading strategies, and manage trading capital. Kase also unveils several highly sophisticated indicators that are far more precise than conventional technical indicators. Unlike most books on trading, Trading with the Odds contains complete coverage of money management, including the author's own "Kase Dev-Stop," a highly calibrated money management tool. Trading with the Odds also includes: Uses and abuses of conventional technical analysis; New technical indicators for analyzing markets and entering trades.
