U.S. Army War College Guide To National Security Issues: National Security Policy And Strategy J. Boone Bartholomees Jr.

Volume II of this edition of the U.S. Army War College Guide (USAWC) to National Security Issues corresponds roughly to one of the two core courses that the Department of National Security and Strategy (DNSS) teaches: "Theory of War and Strategy" and "National Security Policy and Strategy." Like its predecessors, the complete edition is largely an expansion of the existing materials, although over 40 percent is new, and the previously published chapters have been updated as necessary. In this third edition, 19 essays are divided into three topics: the National System and Environment, the International System and Environment, and Strategic Issues.
