## **A Grammar of Old English, 2 Volume Set** Richard M. Hogg

First published in 1992, *A Grammar of Old English, Volume 1: Phonology* was a landmark publication that in the intervening years has not been surpassed in its depth of scholarship and usefulness to the field. It is designed to take account of major developments both in the field of Old English studies and in linguistic theory. Both volumes are included in this set. They offer rich and rewarding insights into an important branch of linguistics relating to the development of an early form of the English language and are essential for scholars in the field.
