Fires of Alexandria (Book One)

The greatest mystery of the ancient world remains the identity of who set fire to the Great Library in Alexandria.

One hundred years later, Heron of Alexandria—the city's most renown inventor and creator of Temple miracles—receives coin from a mysterious patron to investigate the crime. Desperate to be free of the debts incurred by her twin brother, she accepts and sets in motion a chain of events that will shake the Roman Empire and change the course of history forever.

Heirs of Alexandria (Book Two)

For 300 years it was believed Alexander the Great had no heir.

The Roman armada descends on Alexandria. Friends flee, allies bicker, and foes multiply in the night. The fragile city-state teeters on the brink of annihilation. As the naval blockade looms and palace intrigue thickens, Heron must find the heir of Alexander the Great or nothing will stop the Romans from overrunning the wondrous city.

Legacy of Alexandria (Book Three)

The secrets of the pyramids have been lost for two thousand years.

While Agog courts the Parthians, Heron plans to build the largest pyramid the world has ever seen to fulfill Alexander the Great's legacy. As Parthia's demands grow increasingly arduous, Heron's endeavors unleash hidden forces determined to destroy the fledgling pyramid and isolate the fragile city-state from gathering allies against Rome.
