Sam is turning 17 this year and he is being pushed towards adulthood too fast. He has a whole bunch of grown-up problems on his hands now. Like how to make a distant relationship with your boyfriend work? Or how to stop yourself from cheating on your boyfriend with a hot friend who wants to be more than friends? Or how to disattach yourself from your parents and follow your dreams independently? But all that is just too much for a seventeen-year-old to handle. So Sam finds himself gravitating towards Eric, a little daredevil who introduces him to fun things, like stealing, lying, drinking, smoking, and having sex.

?But we know that things like that can lead you into trouble. Sam doesn't know about that though, and he is headed towards a disaster. Somebody is just gonna have to show him the right way.
