**The Search for Common Ground (A Howard Thurman book)** Howard Thurman

Howard Thurman writes about building community. He calls us at once to affirm our own identity, but also to look beyond that identity to that which we have in common with all of life.

#### **Cynthia Cisneros:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Search for Common Ground (A Howard Thurman book) can make you sense more interested to read.
