## **US Navy SEAL Sniper Training Program** U.S. Navy

“From 1962 when the first SEAL teams were commissioned to present day, Navy SEALs have distinguished themselves as an individually reliable, collectively disciplined and highly skilled maritime force. Because of the dangers inherent in Naval Special Warfare, prospective SEALs go through what is considered by many military experts to be the toughest training in the world.” —U.S. Navy

This sniper training manual was originally only used by U.S. Navy SEALs during sniper training but is now available to the general public for review by those interested in Navy SEAL history, military training and strategy as well as the civilians interested in military tactics and training.

This manual covers all aspects of sniper training from position selection and range estimation to exercises and mission planning. It will teach you what equipment SEAL snipers need, how they camouflage themselves, and when and how they apply fire.

304 pages, photographs, drawings, illustrations and charts.

This is a Print Replica that maintains the formatting and layout of the original edition and offers many of the advantages of standard Kindle books.
