Who Dares Wins: Special Forces Heroes of the SAS (General Military) Pete Scholey

The Special Air Service (SAS) is the toughest regiment in the British Army and is frequently cited as the best Special Forces unit in the world. Members of the SAS live in a shadow world, unable to divulge their whereabouts or mission details, living a hard life of combat and secrets. This book brings to life the stories of 20 soldiers who were genuine heroes, although many were never recognised as such during their lives or even in death.

Who Dares Wins contains former SAS soldier Pete Scholey's memories of some of those men. It is a book about soldiers who bravely fought for their country in extreme circumstances with no desire to be famous, featured or rewarded. Each chapter tells us about the life and combat stories of the men who, although capable of superhuman effort, were very much human beings. Some of the stories of Pete's heroes have never been heard before and certainly none of these dramatic tales of combat and life in the regiment have been told in such a touching and compelling manner.
