Billionaire Grooms, Unexpected Brides

The man she never saw coming...

Victoria has two jobs, one full-time college course load, and zero time for men. Exhausted from her non-stop life, the one thing that keeps her sane are her 2am conversations with Adrian, the guy who's always working late at the office she cleans. But an incredibly handsome man like him would never be interested in an inexperienced girl like her, right?

Is not who he seems...

Adrian feels himself falling, and falling hard. He's becoming obsessed with the sweet young woman who cleans his office. He doesn't want to scare her off, but what will she do when she finds out that he doesn't just work there...he's the billionaire who owns the company?

And nothing will ever be the same again...

When the truth comes to light, Victoria's not sure she'll ever fit in Adrian's world. And until Victoria, Adrian's never wanted to settle down with one woman. Can they take a chance on their feelings? Or are their differences destined to tear them apart?
