Are his playboy days over for good?

In the wake of political defeat, former mayoral candidate Ainsley St. James does something totally out of character—she has a one-night stand with a seductive stranger. Never expecting to see him again, she accepts a job covering a breaking story in Hilton Head, South Carolina...only to discover that the island's most desirable recluse is the lover she has yet to forget.

Winston Coltrane can't get that incredible night—or the sexy, sophisticated beauty—out of his mind. The marine biologist is developing a secret formula that could be a major medical breakthrough. But there's something Winston is keeping from Ainsley: his feelings for her have grown beyond the bedroom. Kiss by breathtaking kiss, Ainsley is transforming his oceanside sanctuary into a sensual retreat. Will they be able to turn a passionate fling into forever in each other's arms?
