An obsessed killer is blazing a bloody trail near Richmond, Virginia, toward his ultimate prize - and only one homicide detective can hope to stop the madness...The first kill was easy. The second much easier. No guilt, no remorse, just a rush of adrenaline surging through him as each life drains away, and the pleasure of knowing their deaths help his beloved Lindsay. And there are so many more who deserve to die...The first twisted gift to Lindsay O'Neil arrives hidden in a bouquet of flowers. When her estranged husband, Detective Zack Kier, is assigned to the case, Lindsay's past comes back with a vengeance. Only Zack knows the dark secret she lives with - or so she thinks. Now nothing can prepare her for the nightmare to come - because everything Lindsay's stalker does is for her. And when she spurns his gifts, she and those she loves most become targets of a madman whose rage is growing, who is waiting, watching, closer than she ever feared...
