The American Promise, Value Edition, Combined Volume James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann

The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. Instructors have long valued the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price. The sixth edition introduces a breakthrough in teaching and learning through the addition of **LaunchPad**, which combines carefully-curated new assignments and assessments integrated with the full-length parent text e-book—the same narrative in the Value Edition but with full color art and maps and more features for analysis—in its own intuitive course space. *The American Promise* Value Edition with **LaunchPad** now provides the best formats for every activity—the print book allows for a seamless reading experience while **LaunchPad** provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. **LaunchPad** comes with a wealth of primary sources and special critical thinking activities to help students progress toward learning outcomes; **LearningCurve**, the adaptive learning tool that students love to use to cement their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.

From reader reviews:

Richard Slawson:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make them keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by reading through books. It is a good choice to suit your needs but the problems coming to anyone is you don't know which you should start with. This The American Promise, Value Edition, Combined Volume is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Patricia Coburn:

The book untitled The American Promise, Value Edition, Combined Volume is the reserve that recommended to you to study. You can see the quality of the book content that will be shown to a person. The language that publisher use to explained their way of doing something is easily to understand. The author was did a lot of study when write the book, so the information that they share to you is absolutely accurate. You also could get the e-book of The American Promise, Value Edition, Combined Volume from the publisher to make you far more enjoy free time.

Dana Martin:

Playing with family in a park, coming to see the sea world or hanging out with good friends is thing that usually you might have done when you have spare time, and then why you don't try factor that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love The American Promise, Value Edition, Combined Volume, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its called reading friends.

Belinda Smith:

This The American Promise, Value Edition, Combined Volume is great publication for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can point out no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with wonderful delivering sentences. Having The American Promise, Value Edition, Combined Volume in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world throughout ten or fifteen minute right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?
