The History of a Lie: The Protocols of the Wise Men of Zion Unknown

Translated By Herman Bernstein The History of a Lie - The Protocols of the Wise Men of Zion - A Study By Herman Bernstein - . BRAND NEW EDITION – Fully Illustrated. The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is an antisemitic hoax purporting to describe a Jewish plan for global domination. It was first published in Russia in 1903, translated into multiple languages, and disseminated internationally in the early part of the 20th century. Henry Ford funded printing of 500,000 copies that were distributed throughout the US in the 1920s. Adolf Hitler and the Nazis publicized the text as though it were a valid document, although it had already been exposed as fraudulent. After the Nazi Party came to power in 1933, it ordered the text to be studied in German classrooms. The historian Norman Cohn suggested that Hitler used the Protocols as his primary justification for initiating the Holocaust—his "warrant for genocide". The Protocols purports to document the minutes of a late 19th-century meeting of Jewish leaders discussing their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies. It is still widely available today and even now sometimes presented as a genuine document, whether on the Internet or in print in numerous languages. The Protocols is a fabricated document purporting to be factual. It was originally produced in Russia between 1897 and 1903, possibly by Pyotr Ivanovich Rachkovsky, head of the Paris office of the Russian Secret Police, and unknown others. Source material for the forgery consisted jointly of Dialogue aux enfers entre Machiavel et Montesquieu or Dialogue in Hell Between Machiavelli and Montesquieu, an 1864 political satire by Maurice Joly and a chapter from Biarritz, an 1868 novel by the antisemitic German novelist Hermann Goedsche, which had been translated into Russian in 1872. A major source for the Protocols was Der Judenstaat by Theodor Herzl although, paradoxically, early Russian editions of the Protocols assert that they did not come from a Zionist organization. The text, which nowhere advocates for Zionism, resembles a parody of Herzl's ideas. The Mysterious Protocols Jewish Protocols, Wise Men of Zion, Jewish World Conspiracy, Jewish Conspiracy, Twelve Tribes of Israel
