The Mysterious Disappearance of The Sara Ann (31 Horrifying Tales From The Dead Book 6) Drac Von Stoller

It was one of the happiest days of Sara Ann's life, it was spring break and her father bought a new boat. He wanted to surprise his daughter and take her on her first trip on a boat in the ocean. Sara lost her mother a few years ago to cancer, and her father took it hard, and knew in his heart no other woman could ever fill that hole in his heart so he just focused on his only daughter Sara Ann, and made sure she never did without, and always put her first because Sara was very close to her mother, and he hadn't always been around because of working so many hours at his job, and decided to do the best he could to raise her in a loving home so she could grow up and be the best person she could like her mother.

Sara's father bought the boat so he could spend more time with his daughter and let her see the beauty of the ocean even though it was short lived. Sara's father blind folded his daughter and took her to his barn where he hid the boat from Sara for a surprise. When Sara entered the barn her father took off the blind fold and Sara said "It's beautiful father." Then her father said "I've got another surprise and he took her by the hand around the other side of the boat and said "You can open your eyes now." Sara cried tears of joy and said "That's my name!" Her father chimed in and said "I named the boat after you because when you were born it was the happiest day of your mom and I lives." Sara gave her dad a hug and thanked him. Her father said "Why don't we take it for a spin?" Sara said "That would be so cool!" "I can only be gone for an hour because I promised my friend's I would go with them on our spring break." Her father replied "That's fine I know you're excited about going on this trip and there will always be more trips on the boat in the days to come." "Remember, I was young once too and I couldn't wait to go on spring break with my friends so no big deal."

Sara's father hooked up the boat to his truck and the two drove happily to the dock and set sail in the ocean on a clear beautiful sunny day. Even though Sara's father read the stories about the Bermuda Triangle, he just thought they were all explainable and not mysterious disappearance's as were written about in many books. It's a shame Sara's father didn't take the stories to heart because if he would have he would have stayed at a safe distance from the shore line and not enter into the triangle and test the stories truth's but he did and he will find out shortly why it is called the Bermuda Triangle.

Sara and her father arrived at the boat dock and boarded The Sara Ann and set sail into the Bermuda Triangle happy as can be. Sara was soaking the sun while her father was steering the boat deeper and deeper into the heart of the Bermuda Triangle when in just a matter of minutes dark clouds were forming and a fierce storm was heading their way.
